

THE VAULTS INTERNATIONAL PAYMENT L.L.C.

Next-generation payment solutions.

A UAE-built, Central Bank-licensed fintech delivering secure, innovative and regulated payments — for businesses and consumers, in a single ecosystem.

ABOUT VAULTSPAY

VaultsPay, built in the UAE, is a next-generation fintech company delivering **secure, innovative and regulated payment solutions**. Licensed by the Central Bank of the UAE, we empower businesses and consumers with seamless payment experiences inside a single VaultsPay ecosystem.

We are, quite simply, a one-stop solution for every payment requirement a customer has.

REGULATION

Central Bank of the UAE

ORIGIN

Built in the UAE

MODEL

One ecosystem, every payment

PRODUCT SUITE

Full-stack payments. One partner.

We offer the entire range of payment solutions — from acquiring to issuing — so partners never have to stitch together multiple vendors.

Acquiring Solutions

- Retail POS terminals
- Mobile SoftPOS
- Unattended devices
- Online shopping — multiple options
 - Payment Page
 - Shopping Cart Integration
 - Subscription Payments
 - API Integration
 - Pay By Link

Issuing Solutions

- Digital wallet
- Prepaid cards
- Zero-limit credit cards
- WPS payroll solutions
- BIN sponsorship
- Co-branded cards

Includes full BIN sponsorship — partners can issue their own branded cards on VaultsPay's UAE banking rails.

Want to partner with the next big thing in payments?

Whether it's acquiring solutions for millions of businesses across the UAE's dynamic market, or card-issuing partnerships with corporates — VaultsPay is your best bet. Talk to us.
